

Quality Policy

GUYER PRECISION, INC. is a contract manufacturer specializing in precision machining of tight tolerance parts for all industries. Our objective is to supply precision parts which are completed within required tolerances, delivered on time, and to our customers' satisfaction.

Our customers expect the finest quality products at competitive pricing. We shall meet and exceed those expectations with a well trained workforce, technical expertise, and an organization committed to continual improvement. We promote a commitment to satisfy applicable requirements, continual improvement, and setting of Quality Objectives established within our AS9100 system.

Quality concerns are to be identified and solved with speed, technical efficiency, and economy. All personnel will work together to ensure that the requirements of this Quality Management System are implemented.

A handwritten signature in blue ink, appearing to read "Tom Guyer", is written over a horizontal line.
